Gross motor skills, musicality, rhythm and creative expression within the basic structure and language of both a Ballet and Tap class.	For the child who wants to sing, dance, AND act! Class will take inspiration from Frozen, Moana, The Lion King, and more!	Learn fun dances, develop gross motor skills, and gain confidence and creativity with this introduction to Hip Hop.	Act and sing WHILE you dance to your favorite musical theater songs in this class that gives EC students a solid foundation for all musical theater parts.

Seaside's Early Childhood Arts Education program gives children a solid foundation from which to build not only their artistic abilities, but also a wide variety of social-emotional and academic skills. This includes enhancing critical thinking, developing fine and gross motor skills, teaching compassion, empathy, and cooperation, and developing language skills.	Summer Session Rates
